Coaching Education Program Recognized

March 9, 2021

Georgia Southern University's Master of Science in Kinesiology with a coaching education concentration has been recognized as one of the best online masters in coaching programs in the nation by [Best College Reviews](#). The online Coaching Education program was ranked No. 4 based on five primary factors: student satisfaction, earning potential, retention data, affordability and acceptance rates. The 36-credit hour program, housed in the Waters College of Health Professions, is one of three programs nationally accredited by the National Committee for Accreditation of Coaching Education. With a curriculum that follows the *National Standards of Sport Coaches* for high school, college and elite coaching, students will gain experience and knowledge in performance enhancement, coaching administration, athletic training and coaching effectiveness.
